OLIVE G. PETTIS MEMORIAL LIBRARY

REPORT OF SECRETARY

January 1957

The Olive G. Pettis Library received a gift of twenty-eight volumes of the "The Book of Knowledge" from Mr. and Mrs. Frank Lund in memory of their son, Charles (Chippy) Lund.

Other donors of books were Mrs. Bernard Richardson, Mrs. Helen Brigham, and Mrs. Walter Roberts of Weymouth, Mass.

In January, the library floor was sanded and refinished.

In addition to the regular business meetings the library committee had several work meetings during the year: (1) to replace books and furniture after the workmen left, (2) to clean and wax the floor in the spring and (3) to wash windows in the summer. Curtains were taken home by the members to be laundered.

The members of the committee would welcome any suggestion for making the library more useful to the community.

Respectfully submitted,

MARJORIE T. A. ABBOTT,
Secretary

PROGRESS REPORT ON THE HISTORY OF GOSHEN

It was with much satisfaction and a considerable sense of relief that we turned the last batch of copy over to the printers the other day. The work will now be largely mechanical, save for final editing and indexing, and publication of the History is hoped for in early summer. It is still too early to allow estimate of the price.

Old photos of former events in town should be looked over by their owners, on the chance that they may provide interesting illustrations.

When work on the text of the History actually began it seemed that a small volume, befitting a so-called small town, would be the outcome. But as search has proceeded the pages have multiplied. Actually we are trying to get away from the use of that belittling term, "small town." Perhaps, then a plump History will emphasize the fact that all New Hampshire towns were upon an equal footing in their origins. It is only by chance and circumstance that some have assumed greater importance than others.

We trust that the completed volume will show some measure of the

great amount of work put upon it, rewarding those who have waited so patiently for it, and that, in the main, it will be liked by its readers.

On the financial side, the original contribution of $500.00 was increased by a gift of $25.00 from Arthur G. Saville, formerly of this town, but now of Chicago. $300.00 has been paid on account to the publishers, The Evans Printing Company, leaving a balance of $225.00 held in reserve for immediate purchase of book paper.

WALTER R. NELSON,
For the History Committee.

GOSHEN FIRE DEPARTMENT

We in the Fire Dept. are very pleased to be able to report to the taxpayers of the town that the loss by fire has been very slight this year.

That is due both to the care you, the home owners, have taken, and the very fine work the firemen have done in curbing what few fires we had in quick order. I am also pleased to be able to tell you that, all the fire loss for 1956 was covered by Insurance.

We had wonderful help from the Newport Fire Dept. in as much as we have at this time, no place to dry our hose, and they have been more than willing to make it possible for us to do this in their Station.

SUPERINTENDENT'S REPORT

To the School Board and citizens of the Goshen-Lempster Cooperative School District #5, I herewith submit my fifth annual report as Superintendent of Schools.

All four teachers returned in September to continue their teaching in each of the four one-room schools. Mrs. Myrtie Starkey is at the Goshen Village School, Mr. Elmore Kathan at Goshen Four Corners, Mrs. Doris Newman at East Lempster, and Mrs. Frances Wirkkala at Lempster Street. Each teacher has four grades, and the East Lempster School enrollment has increased to a total of thirty-nine pupils. This makes a nearly impossible situation in terms of seating, heating and time to give each grade attention, not to mention individual pupil assistance.

Teachers and pupils are extremely anxious to move into the new school. It is my hope and expectation that by the time you read this report the change will have been made.

Mr. Kathan resigned in October due to a business adventure but continued to teach until the end of January, until a replacement could be obtained. Mrs. Ettabelle Lewis has substituted for a short time prior to the employment of Mrs. Elizabeth Barrett of Newport. Mrs. Barrett has had eleven years of teaching in Unity, Newport and Sunapee. Mrs. Barrett and Mrs. Wirkkala are working with grades five to eight and exchanging assignments in the different subjects. Mrs. Wirkkala is acting principal of the new school.

Mrs. Rae Hodgman and Mrs. Helen Tenney have prepared the hot lunches for the Goshen pupils under most adverse conditions. They will be extremely pleased with the kitchen and equipment of the new school. Increased federal government surplus foods have been most welcome this year.

Cold weather caused the closing of schools and will necessitate making up time during the planned vacations or on Saturdays.

The new building has progressed nicely and, with the cooperation and gifts of many organizations and individuals, will be well equipped. Perhaps the most timely and generous gift was received from Harriet Spaulding Charitable Trust Fund. This has been used to purchase classroom wardrobes and art easels, teacher files, classroom tables, folding tables and chairs for the all-purpose room, kitchen refrigerator, dishes and tableware, and it is expected that some of it will be available for grading. It has enabled the painting of the interior by the contractor.

The Lempster Parents Club has contributed toward floor tile and kitchen equipment, and the Goshen Parents Club toward a freezer. The Grange has made plans to assist with these projects and others. The Legion and Auxiliary are providing outside and classroom flags. These

same organizations and individuals have pledged themselves to work or contribute toward grading and installation of walks or black-topping of the road entering the school grounds. All of these acts are indeed an indication of the support of the citizens in providing better educational facilities for their children.

Miss Florence MacIver, school nurse, has had an exceptionally busy year with the polio and other clinics in addition to the routine testing program. The supervisory union purchased an orthorater which has aided in the identication of eye defects more quickly and accurately.

Miss MacIver, the teachers and I are most appreciative of the support and cooperation of the school board and citizens in assisting us to try to educate and maintain good health among your boys and girls.

Respectfully submitted,

RALPH H. MEACHAM, Supt. of Schools

SCHOOL NURSE'S REPORT

This past year has been a very busy one in our school health program. The Salk vaccine clinics continued during the summer and on into the fall and winter. Salk vaccine has been made available to all of our school as well as pre-school children through the many clinics which were held. Nearly all of the children have had two innoculations of the vaccine and will receive their third in the very near future. Response to the Salk vaccine program has been excellent.

The yearly inspections of the school children have been carried out. These inspections include the following:

1. Examinations for the detection of scalp ring worm.
2. Vision tests.
3. Height, weight and general observation.
4. Hearing tests.

Notices of defects observed were sent to parents for their consideration. Follow-up home visits were made by the school nurse. Response from the parents was very good. Assistance in the correction of defects, in some instances, was provided by local service organizations as well as by state agencies.

Among the local organizations providing financial assistance are the P. T. A. groups, the Lions Clubs and the Rotary Clubs.

The state agencies offering financial assistance include the Crippled Children's Services, the Sight Conservation Program, the Child Guidance Clinics and the State Public Welfare.

The assistance of these various agencies and organizations makes possible, in many cases, the future health and happiness of our children. Their assistance is greatly appreciated.

It has been a great pleasure and privilege to have spent another year in the school health program. I would like to say "Thank You" for your great interest and cooperation in the work.

Respectfully submitted,

FLORENCE MacIVER, School Nurse
